

NUTRITION SERVICES DIVISION MANAGEMENT BULLETIN		No. 02-130 02-228 02-718
TO:	Child Nutrition Program Sponsors Serving Infants	ISSUE DATE: August 2002
ATTENTION:	Food Program Director	
SUBJECT:	Revised List of Infant Formulas	
REFERENCE:	United States Department of Agriculture Informational Memo 02-25	
SUPERCEDES:	Management Bulletin 00-804 (March 2000)	

This Management Bulletin provides an updated list of iron-fortified infant formulas that do not require medical statements for use in the United States Department of Agriculture Child Nutrition Programs.

If you have any questions, please contact your nutrition services representative or the Field Services Unit at (916) 445-0850 or (800) 952-5609. If you have specific questions about infant formulas, you may contact Kelley Knapp, Nutrition Education Specialist, Healthy Nutrition Environment Unit, at (916) 445-6774 or kknapp@cde.ca.gov.

Marilyn Briggs, Director
Nutrition Services Division
Assistant Superintendent of Public Instruction
